

Image consent form

This form can be used for consent to take and use images of adults with learning disabilities. Please adapt according to your individual requirements.

We sometimes take photographs

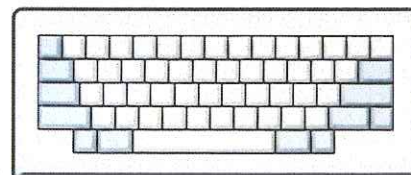

We sometimes take films

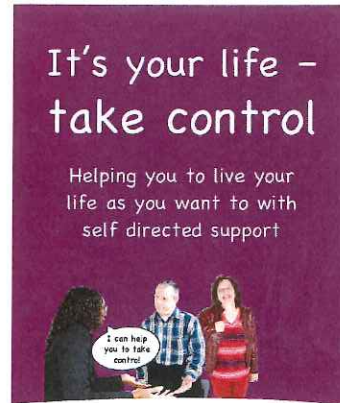

The photos or film might be seen by other people:
They might be seen on our **website** or other people's websites.

Websites can be seen **all over the world** not just in Gateshead, South Tyneside and Newcastle.

They might be seen on **paper**
in things we print like
leaflets

They might be seen in local
newspapers

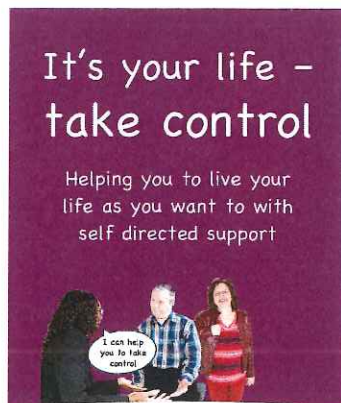

The pictures and films we take will only show good things, or be used to help people understand important issues. We will not use the pictures or films in a way that might upset you. The staff who work with you will make sure that you understand this before you sign this form.

We will try and use the photograph or film only when it is needed. We cannot control the way they are used by other people.
